

ASSIGNMENT

DATE _____

Leader List

Take a moment to think about what makes the leaders in your life so effective. What kind of people are they? How do they treat you and others? How do they communicate? How do they handle difficult situations? What motivates them?

Fill the names of three individuals you know best fit each question. Leaders can be role models, family members, friends, teachers, or even yourself. Be honest with answering each question.

The top three people who have the strongest work ethic in my life are:		
1	2	3
The top three people who embody confidence in my life are:		
1	2	3
The top three people with the most mental grit/toughness in my life are:		
1	2	3
The top three people who I trust the most in my life are:		
1	2	3
The top three people who care the most about those around them in my life are:		
1	2	3
The top three people who have helped me to build confidence are:		
1	2	3
The top three people who are willing to confront and hold their friends accountable are:		
1	2	3
The top three people I have the most respect for are:		
1	2	3
The top three people who seem to have the best relationships with their peers are:		
1	2	3
